

# Summary – Strategic Plan Ministerial Conference on Francophone Affairs

October 14, 2005

Intergovernmental cooperation for the Canadian Francophonie covers the following areas in particular:

<b>OBJECTIVES</b>	
<b>INTERGOVERNMENTAL COOPERATION</b>	<p><b>Objective 1</b> Enhance federal/provincial/territorial cooperation to increase and strengthen the promotion of French.</p>
	<p><b>Objective 2</b> Increase opportunities to raise awareness of and promote services in French in targeted intergovernmental forums.</p>
	<p><b>Objective 3</b> Develop and share strategic tools that can increase the capacity for action of the provinces and territories in terms of services in French.</p>
<b>PRIORITY SECTORS</b>	<p><b>Objective 4</b> Strengthening the Francophone milieu.</p>
	<p><b>Objective 5</b> Increase access to quality health services in French.</p>
	<p><b>Objective 6</b> Facilitate the development and implementation of Francophone early childhood development programs.</p>
	<p><b>Objective 7</b> Support Francophone cultural development as a tool essential for the development and growth of Francophone and Acadian communities.</p>
	<p><b>Objective 8</b> Improve access to justice in French.</p>
	<p><b>Objective 9</b> Support and reward economic development in Francophone and Acadian communities.</p>
